

BUNDLED SOFT SERVICES

▶ *Brings you total peace of mind*

This flexible, tailor-made facilities solution covers anything from pest control and security guarding to landscaping and stationery supply.

► *We take care of the details and give you genuine peace of mind.*

There is a large variety of detail to consider when maintaining facilities and not every facility has the same set of requirements. At Bidvest Facilities Management, we understand that our clients are unique, and for that reason we are bringing you our Bundled Soft Services Solution. **Soft services refer to all facilities management needs that are not technical or engineering based.**

THE SERVICE WOULD TYPICALLY INCLUDE:

- Cleaning (bathrooms, kitchens, offices, etc.)
- Carpet and upholstery cleaning
- High access window cleaning
- Hygiene (washroom equipment, consumables, deep cleaning of ablutions in bathrooms and kitchens)
- Pest control
- Security guarding and technical (CCTV, access control)
- Landscaping (internal and external)
- Interior plant care
- Water dispensers and bottled water
- Provision of beverage and snack vending machines
- Catering
- Waste management
- Stationery supply
- Coffee vending

We give you the option to customise the service according to your individual needs. We can provide a holistic solution with a combination of some or all of the services offered.

This large range of Bundled Soft Services falls within a single managed contract which can be upsized or downsized as required and is served via a single point of contact.
